Professional Experience

Website Designer
Laurelhurst Community Club
Oct. 2020 – Present

- Researched and conducted interviews to better understand client needs, design goals, and technical constraints.
- Presented design proposal and information to club members to generate understanding of design needs.

Computer Science Tutor
Western Washington University
Jan. 2019 – Dec. 2020

- Supported students weekly in debugging and programming languages such as Python, Java, Racket, and C.
- Collaborated with other tutors to ensure quality assistance during tutoring hours.
- Organized, created, and led workshops on Game Programming, Debugging in C, and How to be Successful in the CS Major.

Other Experiences

Graduate Program Manager
Senior Project – Western Washington University
Jan. 2020 – Dec. 2020

A website and web application that allows graduate advisors to monitor and assist student progress towards graduation.

- Conducted interviews with stakeholders to empathize and gain a better insight of product needs.
- Designed high-fidelity prototypes and developed both user interfaces based on prototype using ReactJS and Drupal.

Inreach Coordinator
Association for Women in Computing – Western Washington University
Sept. 2018 – Dec. 2020

- Collaborated and scheduled with faculty to give presentations in class about Computer Science clubs.
- Led presenter recruitment and increased club participation from the Association in Computing Machinery, Whiteboard Coders, and CS Tutors.
- Mentored presenters on presentation tips by creating a script and organizing a presenter workshop.

Saint-Saëns - Piano Concerto no. 2, op. 22 – mov. 1: andante sostenuto
Music Project – Western Washington University
Sept. 2019 – Mar. 2020

A 11 minute solo piece learned and performed to compete in the Music Department's 2020 Concerto Competition.

- Collaborated with a piano accompanist to understand performer etiquette and how the orchestra fits with the solo.
- Shaped the performance to convey a story using rhythms, dynamics, and tempo markings.
